This cross-sectional view illustrates a complex multi-layered assembly, likely a semiconductor package or a multi-chip module. The assembly consists of several horizontal layers separated by vertical interfaces. Key components and layers are labeled with reference numerals:

- 5320**: Points to the overall assembly or a specific layer.
- 5338**, **5342**, **5342a**, **5342b**, **5346a**, **5346b**, **5347a**, **5347b**, **5349**, **5350**, **5351**, **5352**, **5353**, **5354**, **5355**, **5356**, **5357**, **5358**, **5359**, **5360**, **5361**, **5362**, **5363**, **5364**, **5365**, **5366**, **5367**, **5368**, **5369**, **5370**, **5371**, **5372**, **5373**, **5374**, **5375**, **5376**, **5377**, **5378**, **5379**, **5380**, **5381**, **5382**, **5383**, **5384**, **5385**, **5386**, **5387**, **5388**, **5389**, **5390**, **5391**, **5392**, **5393**, **5394**, **5395**, **5396**, **5397**, **5398**, **5399**, **5400**, **5401**, **5402**, **5403**, **5404**, **5405**, **5406**, **5407**, **5408**, **5409**, **5410**, **5411**, **5412**, **5413**, **5414**, **5415**, **5416**, **5417**, **5418**, **5419**, **5420**, **5421**, **5422**, **5423**, **5424**, **5425**, **5426**, **5427**, **5428**, **5429**, **5430**, **5431**, **5432**, **5433**, **5434**, **5435**, **5436**, **5437**, **5438**, **5439**, **5440**, **5441**, **5442**, **5443**, **5444**, **5445**, **5446**, **5447**, **5448**, **5449**, **5450**, **5451**, **5452**, **5453**, **5454**, **5455**, **5456**, **5457**, **5458**, **5459**, **5460**, **5461**, **5462**, **5463**, **5464**, **5465**, **5466**, **5467**, **5468**, **5469**, **5470**, **5471**, **5472**, **5473**, **5474**, **5475**, **5476**, **5477**, **5478**, **5479**, **5480**, **5481**, **5482**, **5483**, **5484**, **5485**, **5486**, **5487**, **5488**, **5489**, **5490**, **5491**, **5492**, **5493**, **5494**, **5495**, **5496**, **5497**, **5498**, **5499**, **5500**, **5501**, **5502**, **5503**, **5504**, **5505**, **5506**, **5507**, **5508**, **5509**, **5510**, **5511**, **5512**, **5513**, **5514**, **5515**, **5516**, **5517**, **5518**, **5519**, **5520**, **5521**, **5522**, **5523**, **5524**, **5525**, **5526**, **5527**, **5528**, **5529**, **5530**, **5531**, **5532**, **5533**, **5534**, **5535**, **5536**, **5537**, **5538**, **5539**, **5540**, **5541**, **5542**, **5543**, **5544**, **5545**, **5546**, **5547**, **5548**, **5549**, **5550**, **5551**, **5552**, **5553**, **5554**, **5555**, **5556**, **5557**, **5558**, **5559**, **5560**, **5561**, **5562**, **5563**, **5564**, **5565**, **5566**, **5567**, **5568**, **5569**, **5570**, **5571**, **5572**, **5573**, **5574**, **5575**, **5576**, **5577**, **5578**, **5579**, **5580**, **5581**, **5582**, **5583**, **5584**, **5585**, **5586**, **5587**, **5588**, **5589**, **5590**, **5591**, **5592**, **5593**, **5594**, **5595**, **5596**, **5597**, **5598**, **5599**, **5600**, **5601**, **5602**, **5603**, **5604**, **5605**, **5606**, **5607**, **5608**, **5609**, **5610**, **5611**, **5612**, **5613**, **5614**, **5615**, **5616**, **5617**, **5618**, **5619**, **5620**, **5621**, **5622**, **5623**, **5624**, **5625**, **5626**, **5627**, **5628**, **5629**, **5630**, **5631**, **5632**, **5633**, **5634**, **5635**, **5636**, **5637**, **5638**, **5639**, **5640**, **5641**, **5642**, **5643**, **5644**, **5645**, **5646**, **5647**, **5648**, **5649**, **5650**, **5651**, **5652**, **5653**, **5654**, **5655**, **5656**, **5657**, **5658**, **5659**, **5660**, **5661**, **5662**, **5663**, **5664**, **5665**, **5666**, **5667**, **5668**, **5669**, **5670**, **5671**, **5672**, **5673**, **5674**, **5675**, **5676**, **5677**, **5678**, **5679**, **5680**, **5681**, **5682**, **5683**, **5684**, **5685**, **5686**, **5687**, **5688**, **5689**, **5690**, **5691**, **5692**, **5693**, **5694**, **5695**, **5696**, **5697**, **5698**, **5699**, **5700**, **5701**, **5702**, **5703**, **5704**, **5705**, **5706**, **5707**, **5708**, **5709**, **5710**, **5711**, **5712**, **5713**, **5714**, **5715**, **5716**, **5717**, **5718**, **5719**, **5720**, **5721**, **5722**, **5723**, **5724**, **5725**, **5726**, **5727**, **5728**, **5729**, **5730**, **5731**, **5732**, **5733**, **5734**, **5735**, **5736**, **5737**, **5738**, **5739**
